

# Fairy Tale Cavaliers Puppy Deposit Form

Deposits are \$250. This will guarantee you a pick from one of our litters. Once we have received your deposit you will be emailed a receipt stating that we have received your deposit. You may place a deposit either before or after the litter is born. (Sometimes puppies are all pre-sold). Deposits are non-refundable. Our deposit fee though non-refundable, is considerably less than a lot of other breeders' deposit fee. We want to be fair to everyone in the whole process, the depositor, the other depositors, and the breeder. People like to know where they are in the selection process. Our goal is to ensure that only people serious about purchasing a puppy from us send a deposit. Please indicate your choices below (by circling). You may pick a second choice if you'd like. At any time before the selection process is complete, you may change your preference, but would move behind someone else who has already made a deposit as well, and has the same preference you are changing to. You will be emailed a receipt when we receive your deposit. You may always decide to carry your deposit over to our next litter.

We begin the selection process at the end of 5 weeks of age, when we start the temperament testing. At 6 weeks (after puppies have received their 6 wk. vaccinations), you are welcome to come and visit. At this time (6 weeks) we ask that you make your decision. (First depositor gets first pick, second depositor second pick and so on.) We ask that you be timely in making your decision, in fairness to others on the list. We reserve the right to move someone ahead of you at this time, only if we feel that the process is not moving along in a timely fashion. You would be notified BEFORE we did this, and given the chance to make your selection at that time. Once you have selected a puppy, the deposit is nonrefundable. Before the selection process is complete at 6 weeks, we reserve the right to keep any puppy for a show prospect. If you want to come see the puppies before you make your decision, we ask that you be flexible in case we need you to come during the week. We want to be fair to everyone during the whole process.
